Withernsea Primary School

June 2020 Newsletter

Phased opening to increased numbers of pupils

The school has been open for the whole of this pandemic to key worker and vulnerable children and their 'bubbles' have been re configured so that they can continue.

We are now re opening to reception children from Monday 8th June and we will make sure the routines we have established are proving effective before we further open to the next group of year 1.

Many parents have decided not to send their children back and we place no pressure on parents to do so and are entirely respectful of your choice to continue with home education- we continue to provide home education learning for all year groups in order to support you.

If you do reconsider and wish for your child to start attending (at present reception and going forward Year 1 only) please contact us but appreciate it may not be able to be an immediate start as we may need to establish new 'bubbles' to continue the safety arrangements that we have in place.

After Year 1 the next group that would be considered is F1.

Year 6 we are in consultation with the high school to arrange some transition for you and there will be further details to follow

New Build

This has now got the 'go ahead' and it is hoped that work will start on site in mid August and to be completed by July 2021 so we can move in for September 2021. This means we will now close on Wednesday 21st July 2021 next year so that the south building can be packed up ready to move into the new building. Hopefully these timescales can be adhered so we have no further changes of term dates – but it is outside our control.

Meanwhile

Still stay at home as much as possible, socially distance when out and about and take care of each other to make sure the infection rate remains as low as possible.

Term Dates – Academic Year 2019/2020
